Yi Ting Guu

Web Designer | UI/UX & Visual Design

Taiwan | tina111222@gmail.com | +886-972-071-510 | https://tinaguudesign.vercel.app/

Web designer with 3+ years in financial services, combining UI/UX, visual design, and front-end development to turn complex information into clear web, app, and email experiences.

Experience

Web Designer | Taiwan Rakuten Card, Inc.

Taiwan | Aug 2023 – Present

- Designed **300+ campaign pages**, using HTML, CSS, and JavaScript for implementation, creating key visuals, and adapting them into banners for multiple placements.
- Refined **web and app interfaces** using the company's design system, improving information hierarchy, navigation, and visual consistency.
- Designed **200+ promotional EDMs**, organizing offers, eligibility requirements, and customer disclosures into clear, readable layouts.
- Designed and developed the **Tigerair Card Upgrade** campaign page and created visuals for **10 co-branded card promotions**, each with **12 banner adaptations**.
- Created visuals for **50+ Facebook ad design requests** and banner assets for **LINE LAP, LINE Pay, Gogolook, and Google**, adapting designs to placement requirements.
- Produced billing materials, envelopes, flyers, and **30+ Rakuten Monkeys stadium print assets**, including large-format signage and life-size standees.
- Collaborated with marketing and system teams to clarify requirements, align timelines, and ensure accurate content and clear customer disclosures.
